Program – Encomun

Bill Holiday spoke to the Club about Encomun, a non-profit microcredit lending institution in Nogales, Mexico, partly supported with grants from the Rotary Action Group for Microcredit. Encomun makes loans of \$100 to \$800 to individuals to help them start or grow a business. The loans are for 4-month cycles. The borrowers form groups of 10 – 15 people, and the only collateral is the solidarity of the group. Everyone in the group must repay their loan or no one in the group can receive another loan. Repayment rate is 97%. Encomun provides basic business classes, business support and healthcare classes to help borrowers succeed. There is a strong focus on women. RAGM's slogan is "Ending poverty together one small loan at a time." For more information see
