Foundation Minute

Andy Heideman reminded us that in 1917 RI President Arch C. Klumph set up an endowment “for doing good in the world.” In 1928 it became the Rotary Foundation, a distinct entity within Rotary International.

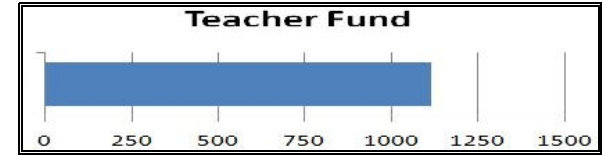

Scholarship

Scholarship recipient **Joalee Schelle** thanked the Club for supporting her education. She is in the nursing program at Northern Arizona University and was our

Speech Contest winner in 2008

*The Green Valley Rotary Club Foundation's Nominating Committee has selected **Eugene Friesen and Larry DeLong** to fill vacancies on the Foundation's Board. Election of the new Board members will take place on June 22, 2010. Any ten members of the Rotary Club of Green Valley may submit, in writing signed by said ten members, an additional name or names to Mark Dugan, the Foundation secretary, for inclusion on the ballot. All names so submitted by 5pm on Friday, June 18 shall be included on the ballot. After 5pm of June 18, no additional nominations shall be made except by the nominating committee to fill any vacancy occurring among the nominees.*

Choosing the Green

GV Rotary made a commitment to Median-Green, and our name is on our work for all to see. If the Club members who signed up to help won't be responsible enough to show up or get a sub, we'll have to hire a landscaper at \$175/month. How many desserts would that buy? Contact **Dick Roberts**.

Program – Health Care Reform – Local Solutions

Dr. Palmer Evans, Chief Medical Officer at TMC, said that what happens in Washington is not what is happening in health care in this country, that quality and cost are the true drivers of reform, and that

when quality improves costs go down. Among the changes having this effect at TMC, he listed

- pay for performance
- co-management service line agreements
- comparative effectiveness research
- evidence based medicine
- electronic medical records
- personal accountability
- gainsharing
- bundled payments
